## Capability Statement

### Core Competencies

Experts in comprehensive and client specific **Law Enforcement** | **Counterterrorism** | **Security** training programs that are available in rural/urban environments almost anywhere in the free world.

- **Advanced Law Enforcement Training** that combines the expertise of federal/state law enforcement (LEO) techniques with the disciplines and training methods of U.S. Military Special Operations (SpecOps) – U.S. Army Green Berets/Rangers/U.S. Navy Seals.
- **Expert Law Enforcement Professionals** made up of former FBI/DEA Special Agents, who have previously served as international trainers in conjunction with SpecOps Operators who offer their unique competencies to specific LEO training modules.
- **Counterterrorism Training** and support against conventional and Jihadist insurgent terrorist groups operating in Asia, Africa, Mexico, Central & South America.
- **Narco-Terrorism Training** offering specially trained former DEA personnel who have served as trainers in both urban and rural areas of Mexico, Colombia, Bolivia, Peru, Guatemala, Honduras and elsewhere.
- **Judicial & Prison Reform** offering comprehensive programs designed to transition client governments into the 21<sup>st</sup> century by offering advanced investigative and prosecutorial techniques as well as accompanying prison reform resolutions.

### Past Performance

Current MPM Trainers have conducted or participated in multiple training iterations in both rural and urban environments.

- INL - El Salvador (Sexual Assault Investigations)
- INL – Tegucigalpa (Criminal Investigations)
- INL - Mexico (Criminal/Forensic Investigations)
- INL - Guatemala, Colombia (Criminal Investigations)
- ILEA - Southeast Asia Region (Criminal Investigations)
- DoD – Ghana (Tactical Training)
- CACI – Kazakhstan (Financial Investigations)
- DOS – Kenya (Firearms Training)
- CACI – Ghana (Narcotics Investigations)

Other locations and contract specifics available upon request.

### Differentiators

- MPM offers national and international training capabilities in rural and urban environments.
- MPM is believed to be the only U.S. based training firm that offers elite LEO/paramilitary training while offering licensed attorneys, former BOP Regional Directors and Wardens to provide current human/civil rights training as well as prison reform training & implementation.
- More than theoretical trainers, MPM offers experienced “boots-on-the-ground” trainers who maintain both their classroom & *in-the-field* expertise to meet, and usually exceed, the client’s expectations.
- MPM adheres to all U.S. State Department “Core Values” training doctrine(s) and will always liaison with the U.S. Embassy RSO, and other members of the *Country Team*, during any/all OCONUS training iterations.
